

Swaggerty's Farm Sausage Bratwurst Burger

directions

1. Preheat your grill. (Outdoor or indoor)
2. Bring a saucepan of water to boil and add brats to par-cook before grilling. Boil for about 8 - 10 minutes. Remove from water, drain on towels, and cut brats lengthwise.
3. Place brats on a heated grill and cook both sides until fully cooked and charred. Cover brats with foil and add buns to grill until warmed and toasted.
4. Assemble: spread each pretzel bun with Dijon mustard, top with sauerkraut, grilled Swaggerty's Farm Bratwurst, provolone and gouda cheese. Add onion rings and top of bun.

notes

You can add a bottle of beer to the par-boil water, to add even more depth of flavor.

Buy extra Swaggerty's Farm Bratwurst and pretzel buns and double the recipe for a summer gathering.
