

# Sausage & Cheese Wontons

## directions

1. Preheat oven to 350 degrees.
2. Brown sausage in a skillet over medium heat, breaking up with a spatula or spoon as it cooks until crumbly. Drain on paper towels and return cooked sausage to the skillet over medium low heat. Add diced bell peppers and garlic and cook for 5 minutes. Remove skillet from heat.
3. Add softened goat cheese to the skillet and stir into the sausage mixture until well blended. Stir in half of the shredded fontina cheese. Season to taste with black pepper. Set aside.
4. Spray multiple mini muffin tins with vegetable spray if you have them, or just repeat baking process with one mini muffin tin 3 times if you only have one.
5. Press one wonton wrapper down into each muffin tin opening gently to create a little shell when baked.
6. Bake wonton wrappers in muffin tins for about 6-8 minutes, or until just beginning to turn light brown on the top edges.
7. Fill each baked wonton with some of the sausage-cheese mixture, sprinkle a bit of the fontina shreds on top along with the finely diced fresh chiles and return to oven to cook another 5-6 minutes, or until the cheese on top is melted. Repeat process until all 36 wontons are filled and baked. Remove filled wontons from muffin tins and serve on a platter or plate.

## notes

You can keep these crispy Sausage & Cheese Filled Wontons warm on a sheet pan loosely covered with foil until ready to serve. If taking to a party or tailgating just put in a pan and cover with a couple of layers of foil. They are tasty hot, warm or at room temperature.

They can be made ahead of time and popped back in an oven to reheat right before serving as well.

## to serve

A great appetizer or party snack. Serve with beer or wine.
