

Sweet Potato Brat Dogs | Gluten-Free Twist on Hot Dogs

directions

1. Bake sweet potatoes in a 375 degree oven just until softened but still firm. Remove from oven. Trim off pointy ends. Split each potato down the middle from end to end, but keep hinged, but slightly pulled apart to create the "bun."
2. While they are very hot lay 2 Cheddar pieces inside each split sweet potato. Set aside to melt.
3. Turn sausages halfway through cook time. Drain well on paper towels and keep warm.
4. While sausages are cooking, place slivered red onion in a small bowl and drizzle with lemon juice. Toss and let sit for 5-10 minutes. This will sweeten the onions somewhat. Drain before using.
5. To assemble the "hot dogs" place a sausage in each "sweet potato bun" and smear each with some chipotle mayo and/or ketchup. Top with pickle relish and slivered red onions and some freshly ground black pepper.
